For his Complaint against the defendants, Dollar Tree, Inc., Dollar Tree Stores, Inc. (collectively the “Dollar Tree Defendants”), John Doe Entities #1-2 (“John Doe Entities”) (collectively “Defendants”), the Ohio Bureau of Workers’ Compensation (“BWC”), and the Ohio Department of Medicaid (“ODM”), the plaintiff, Marshon Wilson (“Plaintiff”), by and through counsel, states and avers as follows:

GENERAL ALLEGATIONS

1. At all relevant times, Plaintiff resided in Euclid, Ohio, Cuyahoga County, State of Ohio. Plaintiff is a black male, who was born on June 29, 2000.
2. Dollar Tree, Inc. is a Virginia corporation, whose principal executive offices are located at 500 Volvo Parkway, Chesapeake, Virginia 23320. Any reference hereinafter to Dollar Tree, Inc. will include references to its owners, agents, lessors, lessees, servants, and employees who, at all pertinent times thereto, were acting within the course and scope of their employment and/or agency with Dollar Tree, Inc.
3. Dollar Tree Stores, Inc. is registered with the Ohio Secretary of State as a for-profit foreign corporation, and its registered statutory agent is listed as Corporation Service Company, 3366 Riverside Drive, Suite 103, Upper Arlington, Ohio 43221. Any reference hereinafter to Dollar Tree Stores, Inc. will include references to its owners, agents, lessors, lessees, servants, and employees

who, at all pertinent times thereto, were acting within the course and scope of their employment and/or agency with Dollar Tree Stores, Inc.

4. Upon information and belief, Dollar Tree Stores, Inc. is either synonymous with Dollar Tree, Inc., and/or a wholly owned subsidiary of Dollar Tree, Inc.
5. Upon information and belief, Dollar Tree, Inc. and/or Dollar Tree Stores, Inc. were formerly known as K & K Toys, Inc. and Only One Dollar, Inc.
6. Upon information and belief, the Dollar Tree Defendants own, and operate, approximately 15,000 discount variety retail stores throughout the 48 contiguous United States of America and Canada under the names of Dollar Tree, Family Dollar, and Dollar Tree Canada.
7. At all relevant times, the Dollar Tree Defendants owned and operated the Dollar Tree store located in Cuyahoga County at 22610 Shore Center Drive, in the City of Euclid, Ohio 44123 (the “Euclid Store”).
8. Many of the Dollar Tree Defendants’ stores, including but not limited to its Euclid Store, are located in poor, high-crime neighborhoods, which experience routine gun violence.
9. There is a prevalence of violent crime and robberies that target the Dollar Tree Defendants’ stores throughout the United States and throughout the State of Ohio, and within Cuyahoga County.
10. The Gun Violence Archive, a website that uses local news reports and law enforcement sources to track crimes involving firearms, lists 42 violent incidents involving guns at the Dollar Tree Defendants’ stores operating under the name of Dollar Tree, seven of which resulted in deaths, and 25 of which resulted in

injuries, between August 15, 2015, and June 18, 2022. Two of those shootings occurred in Ohio: one in Alliance, on December 1, 2018; and one in Ravenna, on December 23, 2018. True and accurate copies of the Gun Violence Archive's lists of the of the above referenced Dollar Tree store shootings, which include the dates and locations of the shootings, are attached hereto and incorporated herein as Exhibit 1. Notably absent from the Gun Violence Archive's list of Dollar Tree store shootings is the shooting which occurred on September 12, 2021, at the Euclid Store, in which Plaintiff was seriously injured.

11. The Gun Violence Archive also lists 274 violent incidents involving guns at the Dollar Tree Defendants' stores operating under the name of Family Dollar (21 of which occurred in Ohio, and 10 of which occurred within Cuyahoga County and the greater Cleveland area), which resulted in 81 deaths (six of which occurred in Ohio, and two of which occurred in Cleveland, Ohio), and 162 injuries (13 of which occurred in Ohio, and seven of which occurred in Cleveland, Ohio), between June 4, 2014, and August 27, 2022. True and accurate copies of the Gun Violence Archive's lists of the of the above referenced Family Dollar store shootings, which include the dates and locations of the shootings, are attached hereto and incorporated herein as Exhibit 2.
12. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have provided little, if any, security, protective, or crime prevention measures at its stores, and they have typically not provided either armed or unarmed security guards, despite requests from some of its employees for security guards.

13. Prior to September 12, 2021, the Dollar Tree Defendants did not provide either armed or unarmed security guards at its Euclid Store.
14. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have also provided little, if any, training to their employees regarding security or crime prevention measures or regarding what to do when a crime occurs in their stores or on their premises.
15. After receiving an average of nearly 1000 calls for service each year just to the Dollar Tree Defendants' Dayton, Ohio Family Dollar stores, the Dayton Police Department, offered training to Family Dollar store managers on how to practice what the police call "crime prevention through environmental design", which involved, among other things, showing managers how less trash outside and less clutter inside (such as goods spilled off of shelves, and carts piled high with boxes waiting to be opened and stacked), which can block the view of witnesses and responding police officers, would make their stores safer and less prone to crime. Store managers, however, resisted pleas to reduce trash or loitering outside their stores, and failed to pass down the training offered by the police to its employees. Even worse, some store managers would discourage employees from testifying in court against robbers, because they were needed to staff the stores.
16. In January 2019, John Cranley, the mayor of Cincinnati, Ohio, wrote a letter about his city's struggles with the Dollar Tree Defendant's stores to the CEO of Dollar Tree, which led to a meeting at Cincinnati's City Hall with Cranley, Nan Whaley, the mayor of Dayton, Ohio, the cities' respective police chiefs, and some of the Dollar Tree Defendants' company executives. After the mayors threatened

to file lawsuits against the Dollar Tree Defendants, the company executives promised to work on “good neighbor” agreements with the cities involving implementation of litter abatement programs and environmental improvements to mitigate some of the cities’ concerns.

17. Prior to September 12, 2021, and continuing up until the present time, however, the Dollar Tree Defendants have done little, if anything, to maintain order in its stores, which also tend to be understaffed and exist in a state of physical disarray.
18. Since 2017, OSHA has conducted 500 inspections at Family Dollar and Dollar Tree stores, and inspectors have found more than 300 violations, including at stores located in Cuyahoga County and in Columbus, Ohio.
19. According to Doug Parker, who is an assistant secretary for OSHA, Family Dollar and Dollar Tree stores have a long and disturbing history of putting profits above employee safety, and time and time again OSHA finds the same violations -- blocked walkways, trip hazards, stacks of unstable merchandise, obstructed emergency exits and aisles, boxes of merchandise blocking electrical panels and rendering fire extinguishers inaccessible. Indeed, earlier this year, OSHA proposed a \$1.2 million fine for the Dollar Tree Defendants because of hazards, such as those listed above, which were identified at its Maple Heights, Ohio, and Columbus, Ohio stores, and noted previous violations at other stores operated by the Dollar Tree Defendants.
20. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have knowingly and deliberately engaged in a pattern and practice of refusing to implement security and/or crime prevention measures at its

stores, despite its awareness of the steady stream of violence at its stores, much of which is directed against its minority, Black, and African American employees, in particular, because doing so could cause its financial condition to be adversely affected.

21. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have knowingly and deliberately engaged in a pattern and practice of hiring minorities, Blacks, and African Americans, in particular, to staff its stores, including but not limited to the Euclid Store, which are located in minority, and/or inner-city, and/or poor communities, with higher than average crime rates, and then hiring and placing white managers in charge of these stores' Black, African American, and minority employees.
22. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have knowingly and deliberately engaged in a pattern and practice of providing and/or fostering a corporate culture that tolerates unsafe and dangerous stores and store environments and premises for its minority business invitees, and its Black and African American business invitees in particular, which has led and/or contributed to a disproportionate amount of crime and violence at these stores and/or on the premises of these stores, including gun violence, and in particular at stores located in poor and/or minority, and/or Black and/or African American neighborhoods, as compared to its stores located in white and/or more affluent neighborhoods.
23. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have knowingly and deliberately engaged in a pattern and

practice of providing and/or fostering a corporate culture that tolerates unsafe and dangerous work places and environments for its minority employees and Black and African American employees, in particular, including but not limited to Plaintiff, which are disproportionately prone to violent crime and gun violence, as compared to its stores located in white, and/or non-minority, and/or in affluent neighborhoods.

24. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have knowingly and deliberately engaged in a pattern and practice of paying its minority, Black, and African American employees, including but not limited to the Plaintiff, minimum and/or nominal starting hourly wages of only \$9.00 or 10.00 an hour in states without higher minimum wage thresholds.
25. In 2018, Dollar Tree's CEO, Gary Philbin, was paid approximately \$10 million in total compensation, which was approximately 800 times the median pay for workers at the company.

FIRST CLAIM

(Violation of Ohio Revised Code § 2745.01, et seq.)

26. Plaintiff incorporates all of the allegations in the FIRST CLAIM as though fully rewritten herein.
27. On or about September 12, 2021, Plaintiff was acting within the course and scope of his employment and/or agency with the Dollar Tree Defendants at the Euclid Store, where he was employed as a stock team member and paid \$9.00 an hour. Plaintiff had been hired to work at the Euclid Store only a few weeks earlier.
28. On or about September 12, 2021, one of Plaintiff's co-workers, Mack Shaw

(“Shaw”), who is a black male, observed a young black male shoplifting in the Euclid Store, and called for assistance from the manager of the Euclid Store, Jordan Wilson (“J. Wilson”) (no relation to Plaintiff), who is a white male. J. Wilson came over and started yelling at and antagonizing the shoplifter, and he continued yelling at the shoplifter as he followed him out of the Euclid Store. J. Wilson also made gestures towards the shoplifter implying he had a concealed weapon (e.g. a gun) on his person. The shoplifter then fled the premises; however, J. Wilson did not call the police to report the shoplifting incident, nor did he direct any of his employees to do so.

29. Approximately 20 minutes later, the shoplifter returned to the Euclid Store with three other black males, and they confronted Shaw, and a fight ensued between Shaw, the shoplifter, and the shoplifter’s three companions, which spilled out of the Euclid Store and into the parking lot. When J. Wilson saw Shaw fighting with the shoplifter and his three companions in the parking lot, and despite the fact that Shaw was outnumbered four to one, instead of calling the police, he ordered Plaintiff to go outside and help Shaw fight them. Plaintiff obeyed J. Wilson’s order and went outside to help Shaw. Shortly thereafter, one of the assailants pulled out a gun and shot Plaintiff in the abdomen, left hand, and left lower leg.
30. The Dollar Tree Defendants knowingly, purposely, and with deliberate intent, and with substantial certainty caused serious personal injuries to Plaintiff, through the following actions and inactions:

- (a) J. Wilson knowingly, purposely, and with deliberate intent, and with substantial certainty that it would cause serious personal injuries to

Plaintiff, ordered Plaintiff to engage in a physical confrontation and fight, along with his co-worker, when he fully knew his employees were outnumbered four to two, and when he knew that one of the combatants involved in the fight was the shoplifter who J. Wilson had confronted and thrown out of the store only 20 minutes earlier and had made gestures to implying he had a concealed weapon (e.g. a gun) on his person;

(b) Knowingly provided little, if any, security, protective, or crime prevention measures at its stores, even though they knew that their stores located in poor, minority, high crime neighborhoods, were crime magnets, which experienced a prevalence of crimes, violent crimes, robberies, and shootings, many of which resulted not only in serious injuries to its employees and business invitees, but also in deaths to them;

(c) Knowingly provided little, if any, training to their employees regarding security or crime prevention measures, or regarding what to do when a crime occurred their stores, even though they knew that their stores located in poor, minority, high crime neighborhoods, were crime magnets, which experienced a prevalence of crimes, violent crimes, robberies, and shootings, many of which resulted not only in serious injuries to their employees and business invitees, but also in deaths to them;

(d) knowingly created a dangerous work situation, as set forth above, in violation of applicable Federal, State, Local, and Industry Safety standards, rules, laws, regulations, codes, and manuals, including but not limited to OSHA, with knowledge that doing so further exacerbated the

prevalence of crimes, violent crimes, robberies, and gun violence and shootings at their stores;

(e) knowingly put profits above employee safety time and time again with full knowledge that their stores, and particularly their stores located in poor, minority, and/or high crime neighborhoods, were crime magnets, which experienced a prevalence of crimes, violent crimes, robberies, and shootings, many of which resulted not only in serious injuries to its employees and business invitees, but also in deaths to them;

(f) knowingly and deliberately engaged in a pattern and practice of refusing to implement security and/or crime prevention measures at their stores, despite their awareness of the steady stream of violence at their stores, much of which was directed against its minority, Black, and African American employees and/or business invitees, because doing so could cause their financial condition to be adversely affected;

(g) knowingly and deliberately engaged in a pattern and practice of providing and/or fostering a corporate culture that tolerates unsafe and dangerous stores and store environments and premises for their minority, Black and African American employees and business invitees, which has led to and/or exacerbated the disproportionate amount of crime and violence at these stores and/or on the premises of these stores, including gun violence, and in particular at stores located in poor and/or minority, and/or Black and/or African American neighborhoods.

31. The Dollar Tree Defendants intentionally and or purposely and/or with deliberate

intent performed, directed, ordered, and/or failed to perform the aforementioned acts with the knowledge that severe injury or death was inevitable to Plaintiff.

32. The Dollar Tree Defendants' knowing, deliberate, and conscious actions as set forth above violated Ohio Revised Code § 2745.01.
33. The Dollar Tree Defendants' knowing, deliberate, and conscious acts and/or omissions as set forth above were done knowingly, intentionally, with malice, and/or with conscious disregard of Plaintiff's rights and safety, and caused him to directly and proximately suffer severe and permanent injuries
34. The Dollar Tree Defendants' actions and inactions as set forth above directly and proximately caused Plaintiff to sustain serious and permanent physical and psychological injuries and economic damages including, but not limited to:
 - (a) gunshot wounds to his abdomen, left hand, and left lower leg;
 - (b) scarring of his abdomen, left hand, and left lower leg;
 - (c) nerve damage in his left leg;
 - (d) pain, shooting numbness and tingling sensations from his left hand to his left wrist and distal forearm, and numbness in his middle finger;
 - (e) stomach, abdominal, and intestinal pain;
 - (f) eating and digestive difficulties;
 - (g) posttraumatic stress disorder;
 - (h) anxiety, mental anguish, and emotional and psychological distress;
 - (i) nightmares;
 - (j) pain and suffering;
 - (k) medical and hospital expenses; and

(l) lost wages (past, present and future).

All or a portion of Plaintiff's injuries and damages are permanent and/or expected to last indefinitely into the future.

SECOND CLAIM

(Violation of Ohio Revised Code §§ 4112.01, et seq. and 4112.02, et seq.)

35. Plaintiff incorporates all of the allegations in the FIRST CLAIM as though fully rewritten herein.
36. The Dollar Tree Defendants do business throughout the State of Ohio and Cuyahoga County and, at all relevant times, have been "employers" as defined under Ohio Revised Code §§ 4112.01 and 4112.02(A)(2).
37. Plaintiff is a member of a statutorily protected class based upon his race under Ohio Revised Code §§ 4112.01 et seq. and 4112.02 et seq.
38. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have knowingly and deliberately engaged in a pattern and practice of hiring minorities, Blacks, and African Americans, in particular, to staff their stores, including but not limited to the Euclid Store, which are located in minority, and/or inner-city, and/or poor communities with higher than average crime rates, and then hiring and placing white managers in charge of these stores' Black, African American, and minority employees, thereby creating a master and slave, plantation mentality.
39. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have also knowingly and deliberately engaged in a discriminatory pattern and practice of providing and/or fostering a corporate culture that tolerates unsafe and dangerous work places and environments for

their minority, Black, and African American business invitees, and employees, including but not limited to Plaintiff, which are disproportionately prone to violent crime and gun violence, as compared to their stores located in white, and/or non-minority, and/or more affluent neighborhoods.

40. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have knowingly and deliberately engaged in a pattern and practice of refusing to implement security and/or crime prevention measures at their stores, despite its awareness of the steady stream of violence at its stores, which is disproportionately directed against its minority, Black, and African American business invitees, and employees.
41. Prior to September 12, 2021, and continuing up until the present time, the Dollar Tree Defendants have knowingly and deliberately engaged in a pattern and practice of paying their minority, Black, and African American employees, including but not limited to the Plaintiff, minimum and/or nominal starting hourly wages of only \$9.00 or 10.00 an hour in states without higher minimum wage thresholds.
42. The actions and conduct of the Dollar Tree Defendants' Euclid Store Manager, J. Wilson, who, among other things, ordered Plaintiff to engage in a fight along with his black co-worker against four other black males, was part and parcel of the Dollar Tree Defendants' indifference to the well-being and safety of their minority, Black, and African American employees, such as Plaintiff, and their indifference to and tolerance of the steady stream of violence at its stores, which is disproportionately directed against their minority, Black, and African American

business invitees, and employees.

43. The Dollar Tree Defendants' actions as set forth above and herein demonstrate that they treated Plaintiff and their other minority, Black, and African American employees differently than other similarly situated white employees based on race.
44. The Dollar Tree Defendants' actions as set forth above and herein also demonstrate that during Plaintiff's employment with the Dollar Tree Defendants, he was subjected to discrimination on the basis of his race.
45. The Dollar Tree Defendants' actions as set forth above and herein amount to discrimination on the basis of race in violation of Ohio Revised Code §§ 4112.01 and 4112.02, et seq.
46. As a direct and proximate cause of the Dollar Tree Defendants' discriminatory actions and conduct as set forth above and herein, Plaintiff suffered the injuries and damages and will continue to suffer damages set forth above in the FIRST CLAIM of this Complaint.

MARSON WILSON,

Case No.: CV22968507

Plaintiff,

Judge Shannon M. Gallagher

vs.

DOLLAR TREE, INC., *et al.*,

Defendants.

ANSWER OF STATE OF OHIO

For its answer to the complaint, the State of Ohio, Bureau of Workers' Compensation states the following:

1. The State of Ohio, Bureau of Workers' Compensation has been added as a party in the complaint, but it does not have a right of subrogation in this matter as the injury claim involves a self-insured employer.
2. The information provided to this defendant is sufficient to form a belief that the rights of subrogation belong to the injured party's employer and NOT to the Bureau of Workers' Compensation.

Respectfully Submitted,

Dave Yost (0056290)
Attorney General of Ohio
